

Online Training

# A Practical Guide to Poison Centre Notification for post-beginners

30 November and 1 December 2022

Online

The training will provide hands-on guidance for professionals, who would like to deepen and extend their skills and knowledge on PCNs. It will look at CLP Annex VIII and Dossier generation and submission, as well as national specifics, regarding PCN submissions. Become your company's pro for PCNs.

## Learning objectives

- Extend your knowledge on CLP Annex VIII
- Deepen your knowledge on how to generate and submit a dossier
- Extend your knowledge on national specifics in PCN submission
- Practice how to update your dossier

## Wednesday, 30 November 2022

09:00 – 13:00 CET

### CLP Annex VIII implementation in the different Member States

- Product category and Unique Formula Identifier (UFI)
- Full Chemical composition and classification and labelling
- Toxicological information

### PCN Dossier preparation

- Mixture and submitter identification
- Classification of the mixture and label elements
- Toxicological information and additional information on the mixture
- Mixture Components information
- Limited notification and group notification

### PCN submission

- How to fix validation errors?
- Dossier upload in ECHA submission portal
- Dossier Status check (validation or additional information needed)

## Participation Fee

€ 795.00 plus VAT

## Thursday, 1 December 2022

09:00 – 12:00 CET

### Dossier update

- Change in mixture composition
- Change in the mixture classification
- Expansion of the market area
- Cease the distribution

### National PCN submission

- Iceland, Slovakia, UK (Great Britain and Northern Ireland)

### Fees payment (BE, HU, IT, Ireland)

### Information and resources

- Use of the emergency phone number in Safety Data Sheets
- EU Poison Centres emergency phone numbers
- EU National appointed bodies contacts
- Regulatory Guidelines
- Regulatory updates

Timings are in  
Central European Time CET.

## The Expert

Patrick Mougang, Yordas Group, United Kingdom

## The Organisers

For more than 25 years, Akademie Fresenius has been your partner for practice-orientated training on all the latest topics surrounding the safety and quality of food, consumer goods and chemical products along the whole production chain. Our portfolio not only includes international conferences but also offers national trade meetings, intensive practical seminars and training in small work groups. Our events are designed to promote an active exchange amongst our participants and offer the perfect platform for bringing the industry, the scientific sector, the authorities and the consulting field together. Excellent service, all-inclusive. Our wide-ranging advanced training opportunities contribute to giving our customers the competitive edge in all quality assurance, risk assessment, legal, production and technical questions.

Akademie Fresenius is a joint venture between Cognos, one of the largest private and independent education groups in Germany, and SGS Institut Fresenius, one of the leading German providers of chemical laboratory analysis.

You can find details on upcoming and new events at [www.akademie-fresenius.com](http://www.akademie-fresenius.com)

## Who should attend this training?

### Professionals working in the fields of:

- ✓ Registration, Regulatory Affairs (especially Mixture- and CLP-related)
- ✓ Manufacturing/placing chemical products on the EU market
- ✓ Import and downstream use of hazardous mixtures for EU and EEA markets

### Sectors that should take part:

- ✓ Chemical Industry
- ✓ Professional associations
- ✓ Consultancies

## How will this online training work?

Our online training will be live – with interactive participation – and will be held in the English language. Prior to the training, we will provide you with your login details which will allow you to participate and ask questions from your preferred location. All you need is a stable internet connection and an audio hardware system – and away you go!

**Terms of Participation and Purchase:** The registration fee includes the participation in the online event and the event documentation for download. You will receive written confirmation of your registration. Upon receiving our invoice, please transfer the amount due without further deductions before the event begins.

**Group Reductions:** For joint bookings received from one company we grant a 15% discount from the third participant onwards.

**Terms of Cancellation:** Cancellations or rebookings to another event are possible in writing without giving reasons and free of charge up to one week before the start of the online event. In the event of later cancellations or non-login to the online event, no participation fees can be refunded. In this case, however, you will receive access to the documentation download after the event. Please note that you can name a substitute participant free of charge at any time.

**General Terms and Conditions:** By registering, you agree to our General Terms and

Conditions as well as to our Privacy Policy. You can find our GTC on the internet ([www.akademie-fresenius.com/general-terms](http://www.akademie-fresenius.com/general-terms)) or receive them on request.

**Personal Data:** The Akademie Fresenius will keep your data for the purpose of organising this event. We will under no circumstances use your data for commercial trade purposes. By registering for this online event, you consent to our occasionally contacting you by mail, email or phone in order to provide you with further information from our company. You can, of course, withdraw your consent whenever you wish. During this online event, image and sound content is transmitted, which may originate from the speakers and from the participants. By registering, you agree that this content may be transmitted within the virtual event space. All participants are prohibited from recording this content. Further information can be found at: [www.akademie-fresenius.com/dataprotection](http://www.akademie-fresenius.com/dataprotection).
