

International Workshop

Dietary Risk Assessment of Biocides

+++ ONLINE WORKSHOP +++

12 October 2023

Highlights

- The German Federal Institute for Risk Assessment (BfR) on the requirements for a dietary risk assessment of biocides
- French ANSES on the draft Guidance on professional use of biocides in the food industry: Status quo and future perspective
- Dietary risk assessment for biocide uses in animal husbandry: Guidance and German BfR calculator
- Active chlorine-based biocidal products: Degradation products and by-products
- EFSA on the PRIMo model uses for pesticides and the challenges with applying it for biocides
- Application and use of biocidal products in the food processing industry

Get yourself a clear picture of the existing scenarios for dietary risk assessment of biocides!

The Experts

Christian Brieden Ecolab | **Kathrin Gottlob** German Federal Institute for Risk Assessment (BfR) | **Judit Janossy** European Food Safety Authority (EFSA) | **Saskia Klutzny** German Federal Institute for Risk Assessment (BfR) | **Martin Löhrike** Jürgen Löhrike | **Ciarán McGlynn** Arrow Regulatory | **Paschalina Papadaki** European Chemicals Agency (ECHA) | **Hermine Reich** European Food Safety Authority (EFSA) | **Marion Rey** French Agency for Food, Environmental and Occupational Health & Safety (ANSES) | **Fabien Rouessay** Redebel Regulatory Affairs | **Leticia Ungaretti** Haberbeck Ecolab

Thursday, 12 October 2023

Timings are in
Central European Summer Time [CEST](#).

Morning Session | 09:20 – 13:20 CEST

09:20 Welcoming speech and introduction by the organisers

The presentation slots include sufficient time for questions and answers.

Guidances and Models

09:30 **ECHA Update on the activities of the Ad hoc Working Group – Assessment of Residue Transfer to Food (ARTFood)**

Paschalina Papadaki, European Chemicals Agency (ECHA), Finland

10:05 **From a risk assessor's point of view: What do we need for dietary risk assessment?**

Kathrin Gottlob, Federal Institute for Risk Assessment (BfR), Germany

10:40 **Dietary risk assessment for biocide uses in animal husbandry: Guidance and German BfR calculator**

Saskia Klutzny, Federal Institute for Risk Assessment (BfR), Germany

11:15 Coffee break

11:30 **Draft Guidance on professional use of biocides in the food industry: Current guidance and future perspective**

Marion Rey, French Agency for Food, Environmental and Occupational Health & Safety (ANSES), France

12:05 **Dietary Risk Assessment Update: Consumption Models for Pesticides and their relevance for biocides**

- The PRIMo model used for pesticides
- Challenges for biocides to apply models designed for pesticides

Hermine Reich, European Food Safety Authority (EFSA), Italy
Judit Janossy, European Food Safety Authority (EFSA), Italy

Practical Experience

12:45 **Dietary risk assessment required for quats compounds residues after surface disinfection in PT4**

- State of art and challenges
- Appropriate assessment approach to follow

Fabien Rouessay, Redebel Regulatory Affairs, Belgium

13:20 Lunch Break

Afternoon Session | 14:00 – 17:10 CEST

Practical Experience

14:00 **From the point of view of a biocides producer: Dietary risk assessment**

- Examples from practise: How are products, relevant for dietary exposure actually applied?
- Challenges with dossier preparation and specific requirements from authorities

Christian Brieden, Ecolab, Germany

Leticia Ungaretti Haberbeck, Ecolab, Spain

14:35 **Application and use of biocidal products in the food processing industry**

- Brief insight into the practical application of biocides in food and beverage industries
- Important guidelines help users in their choice of hygiene management
- Examples of problematic areas and challenges of food and beverage plants

Martin Löhrike, Jürgen Löhrike, Germany

15:10 **Active Chlorine-based biocidal products: Degradation products and by-products as a challenge for dietary exposure and risk assessment**

Ciarán McGlynn, Arrow Regulatory, Ireland

16:45 Final Discussion

17:10 End of the Workshop

Registration

By web www.akademie-fresenius.com/3472
By email registration@akademie-fresenius.com

Hotline +49 231 75896-50
Die Akademie Fresenius GmbH
Alter Hellweg 46, 44379 Dortmund

DIE AKADEMIE
FRESENIUS

Participation Fee: € 795.00 plus VAT

Representatives of an authority or a public university are eligible for a reduced fee of € 595.00 plus VAT per person (please provide evidence). The reduced fee cannot be combined with other rebates.

If you are unable to attend the online event, you can order the event documentation for € 295.00 plus VAT. It will be available after the online event through the download area of our website where you will find the latest versions of the presentations as pdf files.

The Organisers

For more than 25 years, Akademie Fresenius has been your partner for practice-orientated training on all the latest topics surrounding the safety and quality of food, consumer goods and chemical products along the whole production chain. Our portfolio not only includes international conferences but also offers national trade meetings, intensive practical seminars and training in small work groups.

Our events are designed to promote an active exchange amongst our participants and offer the perfect platform for bringing the industry, the scientific sector, the authorities and the consulting field together. Excellent service, all-inclusive. Our wide-ranging advanced training opportunities contribute to giving our customers the competitive edge in all quality assurance, risk assessment, legal, production and technical questions.

Akademie Fresenius is a joint venture between Carl Remigius Fresenius Education Group, one of the largest private and independent education groups in Germany, and SGS Institut Fresenius, one of the leading German providers of chemical laboratory analysis.

You can find details on upcoming and new events at www.akademie-fresenius.com

Who should attend this meeting?

Professionals working in the fields of:

- Regulatory affairs
- Registration
- Exposure assessment
- Risk assessment
- Toxicology

Sectors that should take part:

- Biocides and chemical industry
- Producers of biocidal products
- Regulatory authorities
- Research institutes
- Scientific and regulatory consultancies

Terms of Participation and Purchase: The registration fee includes the participation in the online event and the event documentation for download. You will receive written confirmation of your registration. Upon receiving our invoice, please transfer the amount due without further deductions before the event begins.

Group Reductions: For joint bookings received from one company we grant a 15% discount from the third participant onwards.

Terms of Cancellation: Cancellations or rebookings to another event are possible in writing without giving reasons and free of charge up to one week before the start of the online event. In the event of later cancellations or non-login to the online event, no participation fees can be refunded. In this case, however, you will receive access to the documentation download after the event. Please note that you can name a substitute participant free of charge at any time.

General Terms and Conditions: By registering, you agree to our General Terms and

Conditions as well as to our Privacy Policy. You can find our GTC on the internet (www.akademie-fresenius.com/general-terms) or receive them on request.

Personal Data: The Akademie Fresenius will keep your data for the purpose of organising this event. We will under no circumstances use your data for commercial trade purposes. By registering for this online event, you consent to our occasionally contacting you by mail, email or phone in order to provide you with further information from our company. You can, of course, withdraw your consent whenever you wish. During this online event, image and sound content is transmitted, which may originate from the speakers and from the participants. By registering, you agree that this content may be transmitted within the virtual event space. All participants are prohibited from recording this content. Further information can be found at: www.akademie-fresenius.com/dataprotection.
