

Online Training

Navigating the Microplastic Restriction across EU Chemical Product

8 May 2026, Online

This training provides a comprehensive overview of the new EU restrictions on microplastics under the REACH Regulation, including definitions, scope, and regulatory obligations. Participants will gain practical insights into affected products, transitional periods, supply chain communication, and reporting duties to ECHA.

Participants will...

- Discover how the new EU microplastics restriction impacts their products and what legal obligations they need to meet
- Learn how to confidently identify whether their products are affected, benefit from exemptions, or fall under transitional periods
- Get clear, practical guidance on what to communicate across the supply chain and how to report to ECHA using IUCLID

Friday, 8 May 2026
09:00 – 14:30 CEST

Legal framework

- Overview of Restrictions according to the REACH
- (EC)1907/2006
- The legal text of the Restriction on microplastics

Definitions of microplastics according to the Restriction

- Decisional trees for the identification of microplastics
- Testing strategy
- Products outside the scope of the Restriction
- Products subject to the ban which benefit from a transitional time
- Products under derogations
- Practical examples

Transitional periods

- Products subject to the ban
- Derogated uses and regulatory obligations

Participation Fee

€ 645.00 plus VAT

Communications downstream the supply chain and IFUD (Instruction for safe use and disposal)

- Actors of the supply chain with obligations to report downstream
- Information to be communicated downstream
- Timelines for the communications downstream
- SDS, label, packaging, or package leaflet

Reporting to ECHA

- Actors of the supply chain with reporting obligations
- Information to be provided
- Timelines for the reporting obligations
- IUCLID for reporting to ECHA

Timings are in Central European Summer Time CEST.

The Expert

Gianni Casaluce, Team Mastery, Italy

The Organisers

For more than 30 years, Akademie Fresenius has been your partner for practice-orientated training on all the latest topics surrounding the safety and quality of food, consumer goods and chemical products along the whole production chain. Our portfolio not only includes international conferences but also offers national trade meetings, intensive practical seminars and training in small work groups. Our events are designed to promote an active exchange amongst our participants and offer the perfect platform for bringing the industry, the scientific sector, the authorities and the consulting field together. Excellent service, all-inclusive. Our wide-ranging advanced training opportunities contribute to giving our customers the competitive edge in all quality assurance, risk assessment, legal, production and technical questions.

Akademie Fresenius is a joint venture between Carl Remigius Fresenius Education Group, one of the largest private and independent education groups in Germany, and SGS Institut Fresenius, one of the leading German providers of chemical laboratory analysis.

You can find details on upcoming and new events at www.akademie-fresenius.com

Who should attend this training?

Professionals working in the fields of:

- ✓ Regulatory affairs professionals
- ✓ Product formulators and developers
- ✓ Compliance and legal officers
- ✓ Sustainability and environmental managers
- ✓ Quality assurance and product stewardship teams
- ✓ Manufacturers, importers, and distributors of chemical products
- ✓ Professionals in the cosmetics, detergents, agriculture and plastics industries

Sectors that should take part:

- ✓ Cosmetics and personal care
- ✓ Detergents and cleaning products
- ✓ Paints, coatings, and inks
- ✓ Plastics and polymer manufacturing
- ✓ Agriculture and agrochemicals
- ✓ Construction chemicals, Textiles and synthetic fibers
- ✓ Toys and recreational products
- ✓ Industrial and specialty chemicals
- ✓ Packaging and materials engineering
- ✓ Consumer goods (FMCG)

How will this online training work?

Our online training will be live – with interactive participation – and will be held in the English language. The training will be conducted using the meeting tool Zoom. Prior to the training, we will provide you with your login details, which will allow you to participate and ask questions from your preferred location. Simply log in on the day of the training – and away you go!

Terms of Participation and Purchase: The registration fee includes the participation in the online event and the event documentation for download. You will receive written confirmation of your registration. Upon receiving our invoice, please transfer the amount due without further deductions before the event begins.

Group Reductions: For joint bookings received from one company we grant a 15% discount from the third participant onwards.

Terms of Cancellation: Cancellations or rebookings to another event are possible in writing without giving reasons and free of charge up to one week before the start of the online event. In the event of later cancellations or non-login to the online event, no participation fees can be refunded. In this case, however, you will receive access to the documentation download after the event. Please note that you can name a substitute participant free of charge at any time.

General Terms and Conditions: By registering, you agree to our General Terms and

Conditions as well as to our Privacy Policy. You can find our GTC on the internet (www.akademie-fresenius.com/general-terms) or receive them on request.

Personal Data: The Akademie Fresenius will keep your data for the purpose of organising this event. We will under no circumstances use your data for commercial trade purposes. By registering for this online event, you consent to our occasionally contacting you by mail, email or phone in order to provide you with further information from our company. You can, of course, withdraw your consent whenever you wish. During this online event, image and sound content is transmitted, which may originate from the speakers and from the participants. By registering, you agree that this content may be transmitted within the virtual event space. All participants are prohibited from recording this content. Further information can be found at: www.akademie-fresenius.com/dataprotection.
