

Online Training

Understanding EU REACH: Your Guide to Chemical Compliance

9 July 2026, Online

The **EU REACH Regulation** is the fundamental framework for managing the safe use of chemicals within the EU. This compact training course will walk you through the basics of the regulation and offer key insights into its core components.

You will gain a clear understanding of your obligations and the requirements for registering chemicals in the EU. Learn how the authorisation process works and how regulators evaluate dossiers – all within just one morning.

Join us to master EU REACH and ensure your compliance!

Learning objectives:

- Understand the core principles of the EU REACH Regulation, including its purpose and key components
- Identify your role and obligations and learn about requirements for chemical registration
- Explore the processes of evaluation and authorisation, and the relationship to restrictions under REACH

Thursday, 9 July 2026

09:00 – 13:00 CEST

Welcome & Introduction

Registration

- Who is required to register, who is exempt, and what substances do and do not fall under the registration process?
- Overview of the basic steps in registration, including substance identification and the necessary risk assessment

Evaluation

- How regulators receive, manage, and evaluate submitted dossiers:
 - Submission checks and dossier evaluation
 - Substance evaluation, with insights on the committees involved in the evaluation process
 - Overview of the work at ECHA (RAC/MSC) and at Member States

Authorisation

- Overview of the authorisation process and its relation to restrictions

Updates and Way Forward

- Current regulatory developments
- Initiatives focused on substituting animal testing

Summary & Discussion

Timings are in Central European Summer Time CEST.

Participation Fee

€ 545.00 plus VAT

The Expert

Federica Iaccino, ARCHE Consulting, Belgium

Registration

By web www.akademie-fresenius.com/4005
By email registration@akademie-fresenius.com

Participation Fee: € 545.00 plus VAT

The Organisers

For more than 30 years, Akademie Fresenius has been your partner for practice-orientated training on all the latest topics surrounding the safety and quality of food, consumer goods and chemical products along the whole production chain. Our portfolio not only includes international conferences but also offers national trade meetings, intensive practical seminars and training in small work groups. Our events are designed to promote an active exchange amongst our participants and offer the perfect platform for bringing the industry, the scientific sector, the authorities and the consulting field together. Excellent service, all-inclusive. Our wide-ranging advanced training opportunities contribute to giving our customers the competitive edge in all quality assurance, risk assessment, legal, production and technical questions.

Akademie Fresenius is a joint venture between Carl Remigius Fresenius Education Group, one of the largest private and independent education groups in Germany, and SGS Institut Fresenius, one of the leading German providers of chemical laboratory analysis.

You can find details on upcoming and new events at www.akademie-fresenius.com

Who will benefit from this training?

Professionals working in the fields of:

- ✓ Regulatory affairs
- ✓ Product stewardship
- ✓ Research and development
- ✓ Quality Assurance
- ✓ Health and Safety

Sectors that should take part:

- ✓ Manufacturers and importers of industrial organic and inorganic chemicals and compounds
- ✓ Suppliers of raw materials
- ✓ Industries and downstream users utilising chemicals in products and formulations such as paints and detergents
- ✓ Producers of articles containing substances of high concern
- ✓ Distributors of chemicals, chemical compounds and articles containing substances of high concern
- ✓ Competent authorities, regulatory bodies and research institutes
- ✓ Consultancies

How will this online training work?

Our online training will be live – with interactive participation – and will be held in the English language. The training will be conducted using the meeting tool Zoom. Prior to the training, we will provide you with your login details, which will allow you to participate and ask questions from your preferred location. Simply log in on the day of the training – and away you go!

Terms of Participation and Purchase: The registration fee includes the participation in the online event and the event documentation for download. You will receive written confirmation of your registration. Upon receiving our invoice, please transfer the amount due without further deductions before the event begins.

Group Reductions: For joint bookings received from one company we grant a 15% discount from the third participant onwards.

Terms of Cancellation: Cancellations or rebookings to another event are possible in writing without giving reasons and free of charge up to one week before the start of the online event. In the event of later cancellations or non-login to the online event, no participation fees can be refunded. In this case, however, you will receive access to the documentation download after the event. Please note that you can name a substitute participant free of charge at any time.

General Terms and Conditions: By registering, you agree to our General Terms and

Conditions as well as to our Privacy Policy. You can find our GTC on the internet (www.akademie-fresenius.com/general-terms) or receive them on request.

Personal Data: The Akademie Fresenius will keep your data for the purpose of organising this event. We will under no circumstances use your data for commercial trade purposes. By registering for this online event, you consent to our occasionally contacting you by mail, email or phone in order to provide you with further information from our company. You can, of course, withdraw your consent whenever you wish. During this online event, image and sound content is transmitted, which may originate from the speakers and from the participants. By registering, you agree that this content may be transmitted within the virtual event space. All participants are prohibited from recording this content. Further information can be found at: www.akademie-fresenius.com/dataprotection.
