

Online Training

New Sustainability Requirements within the Framework of the Plant Protection Regulation 1107/2009

30 April 2026, Online

Sustainability is now a key driver of EU chemicals and pesticide policy. This online training provides a concise update on new requirements for Plant Protection Products, focusing on the EU Omnibus Package and its compliance implications.

Learning objectives

Participants will be able to:

- Identify key impacts of the EU Omnibus Package on PPP timelines and dossier expectations.
- Understand how sustainability-driven amendments under Omnibus VI/VII affect assessment and approval processes.
- Evaluate how new guidance – including drinking water and wastewater requirements – shapes data needs and compliance under Regulation (EC) No 1107/2009.

Morning Session | 10:00 – 13:00

Welcome address and introduction

The New Sustainability Requirements & the EU Omnibus Package

- Key amendments under Omnibus VI & VII
- Impacts on approvals, renewals & cumulative exposure
- Borderline issues (PPPs, biostimulants, fertilisers)
- Recent EU case law: transparency, hazard vs risk, NGO actions

Regulation (EC) No 1107/2009 – Update

- Active substance approvals & PPP authorisation routes
- Emergency/provisional authorisations
- Effects of sustainability reforms on assessment pathways
- New drinking water & wastewater quality requirements

Safeners & Synergists

- Regulation (EU) 2024/1487
- Registration & review programme
- Sustainability-driven data needs & defence strategies

Participation Fee

€ 545.00 plus VAT

Sustainable?!

Task Forces

- Purpose & benefits
- Legal structures & governance models
- Competition-law aspects & Omnibus preparation

Data Protection & Confidentiality

- Data ownership & Letters of Access
- Transparency vs confidentiality
- Interaction with patents & trademarks

Biocontrol & PPP Regulation

- Regulatory challenges & sustainability drivers
- Borderline issues (PPP / biocontrol / biostimulant)
- Mechanisms for faster approvals

Final Q&A and Closing

Timings are in Central European Summer Time [CEST](#).

The Experts

Natalie Konings, law firm Bird & Bird, Belgium

Claudio Mereu, law firm Bird & Bird, Belgium

Adrian Parra Garcia, law firm Bird & Bird, Belgium

Elena Campagnoli, Staphyt, Italy

Michael Hale, Staphyt, UK

The Organisers

For more than 30 years, Akademie Fresenius has been your partner for practice-orientated training on all the latest topics surrounding the safety and quality of food, consumer goods and chemical products along the whole production chain. Our portfolio not only includes international conferences but also offers national trade meetings, intensive practical seminars and training in small work groups. Our events are designed to promote an active exchange amongst our participants and offer the perfect platform for bringing the industry, the scientific sector, the authorities and the consulting field together. Excellent service, all-inclusive. Our wide-ranging advanced training opportunities contribute to giving our customers the competitive edge in all quality assurance, risk assessment, legal, production and technical questions.

Akademie Fresenius is a joint venture between Carl Remigius Fresenius Education Group, one of the largest private and independent education groups in Germany, and SGS Institut Fresenius, one of the leading German providers of chemical laboratory analysis.

You can find details on upcoming and new events at www.akademie-fresenius.com

Who should attend this training?

Professionals working in the field of:

- Registration
- Regulatory & government affairs
- Toxicology
- Ecotoxicology
- Exposure assessment
- Risk assessment
- Monitoring & computer modelling

Sectors that should take part:

- Agrochemical industry
- Professional associations
- Consultancies

How will this online training work?

Our online training will be live – with interactive participation – and will be held in the English language. The training will be conducted using the meeting tool Zoom. Prior to the training, we will provide you with your login details, which will allow you to participate and ask questions from your preferred location. Simply log in on the day of the training – and away you go!

Terms of Participation and Purchase: The registration fee includes the participation in the online event and the event documentation for download. You will receive written confirmation of your registration. Upon receiving our invoice, please transfer the amount due without further deductions before the event begins.

Group Reductions: For joint bookings received from one company we grant a 15% discount from the third participant onwards.

Terms of Cancellation: Cancellations or rebookings to another event are possible in writing without giving reasons and free of charge up to one week before the start of the online event. In the event of later cancellations or non-login to the online event, no participation fees can be refunded. In this case, however, you will receive access to the documentation download after the event. Please note that you can name a substitute participant free of charge at any time.

General Terms and Conditions: By registering, you agree to our General Terms and

Conditions as well as to our Privacy Policy. You can find our GTC on the internet (www.akademie-fresenius.com/general-terms) or receive them on request.

Personal Data: The Akademie Fresenius will keep your data for the purpose of organising this event. We will under no circumstances use your data for commercial trade purposes. By registering for this online event, you consent to our occasionally contacting you by mail, email or phone in order to provide you with further information from our company. You can, of course, withdraw your consent whenever you wish. During this online event, image and sound content is transmitted, which may originate from the speakers and from the participants. By registering, you agree that this content may be transmitted within the virtual event space. All participants are prohibited from recording this content. Further information can be found at: www.akademie-fresenius.com/dataprotection.
